Phil and Penny Knight & Nike Inc. and
General Electric Co., and authorities using
Government high-Tech Image
Recognition System / microwave Weaponary
Satellite Surveillance equipment have,
and believe it, the equipment can, and
did do this, they removed my left
lung, and did severe damage to my
liver, they cut a part of my liver
out. It also appears as though
they've taken partial control of the
Oregon State Hospital, only because I
was sent there, and I'm deliberately
being miss-treated because of their
request. There have been several other
incidents on all parties, or Defendants accounts

Fraud & Personal injury

Supporting Facts: (State here as briefly as possible the facts of your case. Describe how each defendant is involved and when the conduct occurred. It is not necessary to give any legal arguments or cite any cases or statutes.)

There has been some fraud in my name, and part of it is in partial responsibility of the Nike Inc. and General Electric that least \$20 million dollars worth of it, in a check that got cashed with my stolen I.D., by someone other than me, the check was in my name, and there have been several serious problems that me and my family have gone through over this as a result of the defendants in this case involvement in it. I have had a left lung removed with the high-tech equipment and my liver has been cut on. I live in pain and the fraud is the cause of some of it.

Claim III

Personal Injuries and Sexual assaults

I have suffered severe injuries to my brain, back, lung (left) liver, feet and Ankles, and the General Electric Co. or Associates with it, are responsible for those injuries with their negligent misuse of some satellite surveillance equipment, I require a liver transplant and Pain medicine to be synthesized by the equipment. Sexual assaults have also occurred by these people against me and my mother. Nike Inc., and Phil and Penny Knight are partially responsible for some of this as well

(If you have additional claims, describe them on another piece of paper, using the same outline.)

I am asking for the courts, or authorities to order a liver transplant as the Defendants equipment did the damage, and for \$40 million dollars, and for a peice of the equiptment to aid me in living, or them to use their equiptment to sustain life for me, and to synthisize 60 mg. of morphine constantly for pain, and lifetime free Products, from both companies.

Signed this 30th day of June, 2011.
